

COMING THIS WEEKEND

Subject Line: Don't miss Patriot Golf Days this weekend!

Play golf's most heroic round by participating in Patriot Golf Days THIS weekend! Join us for great golf benefiting a great cause and help support American service members, first responders, and their families in our community.

Proceeds from this weekend's event will support Folds of Honor, whose mission is to provide educational scholarships to the spouses and children of fallen or disabled service members and first responders. Since 2007, Folds of Honor has awarded about 44,000 academic scholarships valued at about \$200 million.

The Best Parts: 100 percent of funds raised locally stay in the community and 91 cents of every dollar goes directly to scholarships.

No matter your level of engagement, every dollar will make a significant difference. With your help, we can collectively bring hope to the families of the heroes who have so bravely served our country and community. Please join us.
