

# GOLF'S SALUTE TO SACRIFICE

## ONLINE DONATION PLATFORM

Capturing donations through a customizable, online donation page credited for your facility can streamline your efforts and increase your proceeds due to the expanded reach.

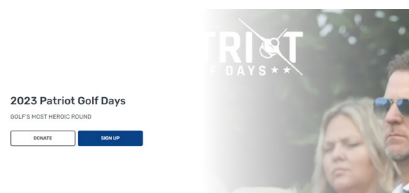

Folds of Honor offers all golf facilities access to PledgeIt, which is a free online donation platform. Once you complete the simple registration, a unique URL is created for you to share with members, guests and your greater community.

This page is the perfect way to supplement your efforts and securely collect one-time, lump sum support; donors are instantly receipted upon submission.
