

# GOLF'S MOST HEROIC ROUND

## SCHOLARSHIP RECIPIENT

*Liz Brees*

## HONORING LT. COMMANDER

*Raymond O'Hare*

- United States Navy Lieutenant Commander Raymond O'Hare was a distinguished Naval officer, having graduated first in his class from Officer Candidate School and served as an F-14 Radar Intercept Officer in various fighter squadrons.
- His life was tragically cut short when his T-38 Talon training jet crashed during an instrument approach in 2000, while he was attending the Navy's Test Pilot School. His dedication to duty and sacrifice is commemorated through his burial at Arlington National Cemetery.
- Despite the loss of her father at a young age, Liz Brees exhibited exceptional academic prowess, graduating from Mount St. Mary's University with a degree in biochemistry and biology.
- Liz has dedicated herself to education, teaching high school biology and physics while pursuing a Master of Education degree from the University of Notre Dame.
- Continuing her family's tradition of service, Liz is now enrolled in the University of California San Diego School of Medicine through the Air Force's Health Professions Scholarship Program, with plans to serve as an active-duty Air Force physician upon completing her training.

Patriot Golf Days are your opportunity to honor military service members and first responders, including those who made the ultimate sacrifice for our safety and freedom. Your donation supports educational scholarships, offering hope and opportunity to the families of these American heroes.
